EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Item No. 01 & 02

Keeping in view the Company's existing and future financial requirements to support its business operations, the Company needs additional funds. For this purpose, the Company is desirous of raising finance from various Banks and/or Financial Institutions and/or any other lending institutions and/or Bodies Corporate and/or such other persons/ individuals as may be considered fit, which, together with the moneys already borrowed by the Company (apart from temporary loans obtained from the Company's bankers in ordinary course of business) may exceed the aggregate of the paid-up capital and the free reserves of the Company. Hence it is proposed to increase the maximum borrowing limits upto Rs. 50.00 Crores (Rupees Fifty Crores only). Pursuant to Section 180(1)(c) of the Companies Act, 2013, the Board of Directors cannot borrow more than the aggregate amount of the paid-up capital of the Company and its free reserves at any one time except with the consent of the members of the Company in a general meeting.

In order to facilitate securing the borrowing made by the Company, it would be necessary to create charge on the assets or whole or part of the undertaking of the Company. Section 180(1)(a) of the Companies Act, 2013 provides for the power to sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking of the Company subject to the approval of members in the General Meeting.

None of the Directors and Key Managerial Personnel of the Company or their respective relatives is concerned or interested in the passing of the Resolution

Item No. 3

In line with the regulatory changes in the recent past, the changes in the Companies Act and in line with various directives issued by Reserve Bank of India, from time to time, and in pursuance of the financing documents of the Company, the Company is required to pass a Special Resolution under Section 62(3) of the Companies Act, 2013 and other applicable provisions of the Companies Act, 2013 and Rules made thereunder to enable the Banks and Financial Institutions (hereinafter referred to as the "Lenders") to convert the outstanding debt or any other financial assistance categorized as debt (hereinafter referred to as the "Financial Assistance"), in foreign currency or Indian Rupee, already availed or to be availed from the Lenders or as may be availed from the Lenders, from time to time, at their option, into equity shares of the Company upon such terms and conditions as may be deemed appropriate by the Board and at a price to be determined in accordance with the applicable laws at the time of such conversion.

Section 62(3) of the Companies Act, 2013, provides that nothing in Section 62 shall apply to the increase of the subscribed capital of a Company caused by the exercise of an option as a term attached to the debentures issued or loan raised by the company to convert such debentures or loans into shares in the Company; provided that the terms of issue of such debentures or loan containing such an option have

been approved before the issue of such debentures or the raising of loan by a special resolution passed by the company in General Meeting.

Pursuant to Section 180(1)(a) and 180(1)(c) of the Companies Act, 2013, the Board of Directors of the Company also recommends to borrow any sum or sums of monies (apart from temporary loans obtained from the Company's Bankers in the ordinary course of business), from time to time, in such form and manner and on such terms and conditions as the Board may deem fit, such that the total amount borrowed and outstanding at any time shall not exceed ₹ 50 Crores (Rupees Fifty Crores Only) and to create charges on the Company's properties for securing the borrowings within the above limits and working capital facilities availed or to be availed by the Company.

For the purposes of such Borrowings, the Company may, from time to time, be required to execute financing documents, which provides for an enabling option to the Lenders, to convert the whole or any part of such outstanding Financial Assistance (comprising loans, debentures or any other financial assistance categorised as loans), into fully paid up Equity Shares of the Company;

Accordingly, the Board recommends the resolution as set forth in the item no. 3 of the Notice, to enable the Lenders, in terms of the lending arrangements, entered/to be entered and as may be specified by the Banks/Financial Institutions and anybody corporate entity(ies) under the financing documents already executed or to be executed in respect of the Financial Assistance availed/ to be availed, at their option, to convert the whole or part of their respective outstanding Financial Assistance into equity shares of the Company, upon such terms and conditions as may be deemed appropriate by the Board and at a price to be determined in accordance with the applicable Securities and Exchange Board of India Regulations at the time of such conversion.

The Company hereby clarifies that this resolution is merely an enabling resolution and there are no proposals of conversion of loan into Equity, either pending or envisaged currently.

None of the Directors and Key Managerial Personnel of the Company and their relatives may be deemed to be interested/concerned in this resolution, except to their respective shareholdings in the Company, if any.
